

# Clean Up Australia Day 2023

BeachPatrol and Love Our Street groups across Victoria mobilised the community as part of the National Day of Action. Read on to find out what a difference we made together.

Ashburton to Aspendale, Wyndham to Warrnambool and everywhere in between - hundreds of community volunteers turned out in support of [Clean Up Australia Day 2023](#) events organised by BeachPatrol and Love Our Street.

The weekend of 4-5 March saw events of all shapes and sizes happening on beaches, foreshores, parklands and streets. There were so many notable events it is impossible to mention them all! We are grateful to all of the community groups, politicians, councils and business who volunteered their time to make the events so impactful.

At the time of writing the data is still coming in from across Victoria. Here's a snapshot showing the incredible amount of litter removed from the environment:

## Hampton Contribution

Hampton Beach patrol joined with Hampton Love Our Street to clean around GreenPoint. It was a lovely sunny morning with 16kgs of rubbish collected: 53 recyclables, 0.5kgs worth of cigarette butts and no syringes. Thank you to all the volunteers who were able to come along to help keep our beaches and surrounding parklands clean.
