## Community Grants Application Form

*The Rotary Club of Hampton is a local community based group of volunteers. We develop humanitarian projects in our local community, other parts of Australia and internationally. As Rotarians, our members want to make a difference for others. In supporting your application for funds, we need to understand the reasons for your application, the outcomes you expect and how you will go about achieving those results. We also want to understand how the funds are used and your evaluation of the benefits.*
