

## HAMPTON PRIMARY FRIENDSHIP CAPTAINS 2023

Hi everyone, we would like to give you a snapshot of our year as Friendship Captains.

Our goals as Friendship Captains were to:

- Include everyone.
- Encourage kids to try new games.
- Make new friends.
- Have something that is fun to do if they don't want to play footy or basketball or tiggy.

Our memories of this are that we have seen so many kids smiling and having fun.

Lots of kids have tried new games and we think this gives them confidence at school.

We have tried to teach the kids to be fair and helpful to each other.

All the kids have learned that if someone looks a little bit lonely or sad, they should check if they are ok because everyone can be a good friend.

We think lots of these kids will remember their time with us and it will help them to be good friends to other kids and maybe one day they could be Friendship Captains at Hampton Primary School too.

We want Hampton Primary School to be a happy place for everyone to learn and have fun and we hope we have helped this happen this year.

We believe that a good friend is someone who:

- treats others how you would like to be treated
- remembers to play fair and take turns; and
- thinks about other people and if someone is feeling left out then you try to help them find a friend and help them to feel better.

We feel like we have made a difference this year and we wish next year's Friendship Captains a great year.

Jimmy and Grace 😊
